

## Museum (Voting) Membership 2019

'Museum' means an organisation which is primarily engaged in collecting, caring for, developing, exhibiting or interpreting the natural and cultural heritage of Aotearoa New Zealand. The term includes public museums, art galleries, marae and exhibition galleries, or centres which are maintained on an on-going basis by other organisations. Membership is open to all museums which subscribe to and act in accordance with the Code of Ethics of Museums Aotearoa.

Membership fees for museums are calculated on the organisation's operating expenditure for the last financial year, i.e. **inclusive of salaries, exclusive of rent/rates and capital expenditure**. membership fees are reviewed every year to the Consumer Price Index.
