

TĀMAKI PAENGA HIRA WORKSHOP:

QUEERING THE MUSEUM

**POSTPONED
UNTIL
LEVEL 1**

Join us to discuss the current interface between Queerdom and Museums.

Hear candid accounts from people with real experiences at this interface: a museum HR executive, a museum director, an internationally acclaimed queer author, and proud agitators.

- Listen to four inspiring speakers.
- Participate in a panel discussion.
- Network with like-minded change-makers.
- Leave with a personal action plan.

Together we can drive our museums to do better. This workshop is a 'How-to' session for those who want to bring the rainbow to the boardroom, the galleries, and our audiences.
